FOR IMMEDIATE RELEASE

NEW DIRECTORY FEATURES SOURCES OF HELP FOR PSYCHIATRIC AND ADDICTION TREATMENT

~~~~

#### **NAPHS Releases 2013 *Membership Directory***

(Washington, D.C., October 4, 2012) .....**The National Association of Psychiatric Health Systems (NAPHS) has published a 2013 *Membership Directory*.** The directory is a **comprehensive referral resource** providing information on the nation's behavioral healthcare systems.

The NAPHS directory is designed to help clinicians, admissions staffs, employee assistance directors, school counselors, nursing home staffs, librarians, legal system personnel, and others who must **quickly identify sources of help for individuals with psychiatric and addictive disorders.**

The directory includes the name, address, phone/fax, and officers (by name) of each behavioral health system. The **facilities operated by each system**—including specialty hospitals, psychiatric units in general hospitals, residential treatment centers, partial hospital programs, and outpatient centers—are also listed. To help locate services in particular states, a **geographical listing of facilities**—including the name of the chief operating officer of each—is included.

#### **How to Order**

Copies of the *2013 NAPHS Membership Directory* are available from NAPHS for \$35 (which includes shipping and handling). D.C. residents add 6% sales tax. American Express, MasterCard, and Visa are accepted. To order, call 202/393-6700, ext. 104, or send a check to NAPHS, ATTN: *Membership Directory*, 900 17<sup>th</sup> Street, NW, Suite 420, Washington, DC 20006-2507.

#### **About NAPHS**

The National Association of Psychiatric Health Systems advocates for behavioral health and represents provider systems that are committed to the delivery of responsive, accountable, and clinically effective prevention, treatment, and care for children, adolescents, adults, and older adults with mental and substance use disorders. Its members are behavioral healthcare provider organizations that own or manage more than 700 specialty psychiatric hospitals, general hospital psychiatric and addiction treatment units and behavioral healthcare divisions, residential treatment facilities, youth services organizations, and extensive outpatient networks. The association was founded in 1933.
